Professional Summary

I am a BA student in Anthropology at the University of Nairobi with a passion for writing, research, and storytelling. I have experience in producing high-quality, compelling content and conducting in-depth research for diverse audiences. I am proficient in English, Kiswahili, and basic French, with strong interpersonal skills and the ability to adapt quickly to dynamic environments. Additionally, I am passionate about contributing to impactful initiatives that empower marginalised communities and promote education and inclusivity.

EXPERIENCE

Research Assistant

Bomas of Kenya, Attachment

December 2023

- Conducted interviews with representatives from minority tribes.
- Synthesised insights into a comprehensive report for the Research Department.
- Contributed to amplifying the perspectives of marginalised communities and advancing cultural awareness.

Intern, Writer

Couture Africa Magazine

June – December 2023, Nairobi, Kenya

- Authored lifestyle, culture, and current affairs articles for a broad readership.
- Conducted extensive research to ensure accuracy and credibility.
- Developed engaging content aligned with the magazine's tone and brand.
- Effectively met publishing deadlines and adapted feedback into polished pieces.

Intern, Writer

Kenya Broadcasting Corporation (KBC)

May 2023, Nairobi, Kenya

- Produced two articles focusing on the entertainment industry, particularly TV series.
- Ensured content accuracy through thorough research.
- Collaborated with editors to refine content and meet publication standards.

SKILLS

- Exceptional writing and editing proficiency in English, Kiswahili, and basic French.
- Advanced research and data synthesis skills.
- Adaptability in tailoring content for diverse audiences and platforms.
- Strong organisational and time-management abilities.
- Experienced in collaborating with multidisciplinary teams.
